

CS-200

The New Fee Franking Machine

quadi<sup>ent</sup>  
Because connections matter.

# CS-200

**The Quadiant CS200 is the new Court Services approved, fee franking machine for the Irish legal sector, offering sophisticated features in a compact package. The Quadiant CS200 can be re-credited on-line 24 hours a day, 365 days a year from the comfort of your office.**

- High quality digital printing
- PIN-protected access
- Departmental Accounting

## EASY TO USE

Shortcut keys give quick easy access to frequently used settings. The CS200 also comes with easy-to-install, high speed LAN connection for a quick and easy download of credit.

## RE-CREDIT AT EASE

With the CS200, there's no need to queue at your local Court Office to recredit. Simply download the funds you require at the touch of a button.

## GIVE YOURSELF A LITTLE CREDIT

With the Quadiant CS200 you can download credit when you need it and pay by direct debit. No more front loading of credit required. The CS200 improves your process of cash flow and increases efficiency.

## BECAUSE SUSTAINABILITY MATTERS.

True performance isn't only about fast machines and efficient business processes. It's also about being just as innovative when it comes to sustainability. At Quadiant, we've been implementing tangible, high-impact initiatives that cover every level of our business. This includes smarter recycling, reduced energy, valuable research partnerships, lower impact shipping, social charity and more. We've also been earning the most esteemed standards and certifications in the world, including the prestigious Energy Star label. The best part of all is, we're going to keep on advancing!

Being ISO 9001, ISO 14001 and OHSAS 18001 certified, Quadiant will serve you in accordance with the highest process, quality, environmental, health and safety standards.
